VIAVI

Avionics Test Equipment Extended Calibration and Warranty

VIAVI offers extended calibration and warranty packages for its avionics test equipment that include hardware and labor costs for repair, *and* annual calibrations performed at the factory during the warranty period.

In addition to the Standard 2 Year Warranty* that is included with the purchase of all VIAVI avionics test products, we also offer the following extended warranty packages:

36 Month Extended Warranty with Calibration

- Extends the standard hardware/labor warranty from 24 months to 36 months
- Includes three annual certified factory calibrations

60 Month Extended Warranty with Calibration

- Extends the standard hardware/labor warranty from 24 months to 60 months
- Includes five annual certified factory calibrations

*Standard 2 Year Warranty covers, under customary use and service, the hardware product to be free from defects in material and workmanship for a period of two years from the shipping date.

Warranty is limited to replacing or repairing, free of charge, except for certain freight charges, any defective part or parts of the instrument. If the instrument is found not to be defective in material or workmanship, or in the event the warranty claim is invalid because of failure to comply with the warranty provisions, the customer shall be notified and be given the choice to repair or replace the instrument parts at customer's expense.

For a full description of the Standard 2 Year Warranty, please visit:

Key Benefits

- Annual calibrations are included during the warranty period
- All repairs are included for the extended warranty period – no budget surprises due to repairs
- Priority processing – your equipment will be moved next in line on the test bench
- Factory ensures the hardware/firmware on your unit is up to date
- ANSI Z540/ISO10012 traceable calibration performed on the same ATE as our new factory units (as opposed to sending your equipment to an unauthorized 3rd party service shop)
- Preferred customer status including: Promotional offers; Product update notifications
- Reduced cost of ownership
